Our Process

CONSULTATION

During your in home free 3D design consultation, our designer will assess your space, discuss your goals, and expectations then create a 3D design for your review

ESTIMATE

After your project has been reviewed and you have chosen your design styles and finishes, we will provide you with an estimate and projected completion date.

INSTALLATION

Our professional installers will treat your home with care as they bring your vision to life. Your satisfaction is their first priority.

Design & Organization

A custom-designed closet is the perfect place to showcase your incredible sense of style. Whether you have a walk-in closet, reach-in closet or something in between, we can truly customize your space to create more storage and ease in your daily routine.

Mudroom

Mudroom drop zones are the home's first line of defense against the elements. It's where kids toss their sneakers after an afternoon outside and where rain boots and coats dry out after a rainstorm.

Whether you are looking for an area to store your daily items or you need a space that can work for you throughout the seasons, a mudroom is the perfect option.

A mudroom is a smart and stylish way to add efficiency to your home.

GARAGE ORGANIZATION

Garage Solutions — Tailored to the way you live

Elegant Closets

Garage Cabinetry

Our superior-grade garage cabinets bring luxury to your garage while providing the best protection for your stored items. Wall-mounted construction prevents water damage and makes cleaning your garage simple.

We are passionate about home organization and the garage is our favorite place to begin. We create custom solutions to organize sports equipment, tools, hobbies and more so you can access items quickly and easily.

Garage Workbenches

Create a hobby space or custom work center with our versatile workbench options. Multi-sized drawers, doors, sink base cabinets and custom counters are designed with your lifestyle in mind.

1. BUTCHER BLOCK countertops were originally used in butcher shops for cutting meats and have evolved into a beautiful-yet-practical multipurpose work surface.

2. MILANO QUARTZ laminate countertops are built to last.

3. EBONY STAR laminate countertops are a smart addition to your workbench.

4. STAINLESS STEEL is a non-porous and stain-resistant material that is also incredibly durable.

Swisstrax Garage Flooring

Swisstrax isn't simply flooring. It lays the foundation for the finest garages in the world. Engineered as interlocking tiles, modular Swisstrax products can be configured to any custom color combination or pattern. Best of all, it's durable, easy to maintain and comes with a full, 15-year warranty.

3/4" height profile features a compressive strength of 3,120 psi and 70,000 lbs of rollover weight.

Resistant to oil, gas, acid or solvents including Skydrol and Alkalis.

Open profile, ribbed design with 1/4" built in, self-draining channeling system.

STORAGE SYSTEMS

Keep your garage organized and clutter-free with our wall-mounted storage systems. Movable hooks, baskets and specialized racks provide easy access to everyday items. Overhead racks are also available for storing bulky seasonal items.

Our modular, wall-mounted organization systems maximize space while minimizing clutter. Start with our durable PVC statwall panels as your base then add your choice of accessories. Accessories simply snap into place without tools and can be easily rearranged as your storage needs change.
